4. Background Information

4.1 Basic Information

Any contract that may result from this Tender Process will be issued for a term of 3 Years (“the Term”) which would include the hardware supply, installation, commissioning, comprehensive onsite warranty and maintenance support.

Tender papers must be received not later than time, date and venue mentioned in the Cover Page. Tender papers that are received after the deadline WILL NOT be considered in this procurement process.

4.2 Project Background

Scholarship is one of the most important schemes of the ST & SC Development (SSD) Department aimed at incentivizing the parents of disadvantaged ST, SC, OBC & Minority communities for continuation of the education of their wards and thereby accelerating the educational attainment among these disadvantaged communities. The increased volume

of applications for the Scholarship Schemes over the years is one of the major indicators of genuine interest and requirement of the beneficiaries. Being the nodal department, SSD Department is implementing different Scholarship Schemes for ST, SC, OBC and Minority students. The scale of the Scholarship Programme is considerably high in the Department with about 20 lakh students being covered under different Pre & Post-matric scholarship schemes.

Further, The SSD Department runs 1670 residential Educational Institutions to provide primary, upper primary, secondary and senior secondary education to the children of ST communities and more than 4.3 lakh students study in these schools. Ensuring well-being and safety & security of the boarders, especially girls, is one of the significant challenges in front of the Department.

The Department has therefore decided to set up adequately staffed technical team in form of Scholarship Management Unit to exclusively manage all aspects of Scholarship programme and act as a support unit under the administrative control of the SSD Department. For the regular monitoring of these schools and hostels, a School and Hostel Monitoring Cell would also be constituted within the Department. The Dept. is now proposing to procure computers, printers, scanners, etc. for these 2 units for the State and district offices.
